# 22/292 ANNUAL FINANCIAL RETURN – 2022/23

The Clerk advised on recent email communication dated 29<sup>th</sup> March 2023 received from **Deryck Evans** - Audit Manager – Audit Development and Guidance Audit Wales and copied to all members of Council. We are continuing to clear the 2021-22 audits as quickly as we can. Once we have issued the audit opinions, we pass a schedule of completed audits to our finance team, who will then issue invoices.

We are not yet in a position to issue the audit notices for the 2022-23 audits. Given the issues we have had with resourcing in the last year or two and an ongoing backlog of older audits that we are

still clearing, we have decided not to issue the notices until we have confirmed the date from which our audit team will be in place. The community and town council audit programme are being slotted into our wider work programme. We will write to you again as soon as the timing is confirmed.

In the meantime, we recommend that Councils prepare and approve the annual returns as soon as you are able to. We will provide the dates for the exercise of electors' rights under the 2004 Act with the audit notice.

The format of the annual return is much like previous years. Some additional narrative has been included in the Accounting Statement related to staff costs and the Trust Funds disclosures have been consolidated into one item in the annual governance statement.

The Clerk outlined the accounts for Council in the Local Council for Wales Annual Return for the year ended 31 March 2023.

# Annual governance statement – Part 1

We acknowledge as the members of the Council our responsibility for ensuring that there is a sound system of internal control, including the preparation of the accounting statements. We confirm, to the best of our knowledge and belief, with respect to the accounting statements for the year ended 31 March 2023 as outlined by the Clerk.

#### Expenditure under S137 Local Government Act 1972 and S2 Local Government Act 2000

Section 137(1) of the 1972 Act permits the Council to spend on activities for which it has no other specific powers if the Council considers that the expenditure is in the interests of, and will bring direct benefit to, the area or any part of it, or all or some of its inhabitants, providing that the benefit is commensurate with the expenditure. Section 137(3) also permits the Council to incur expenditure for certain charitable and other purposes. The maximum expenditure that can be incurred under both section 137(1) and (3) for the financial year 2022-23 was £8.82 per elector.

In 2022-23, the Council made payments totalling £1,550 under section 137. These payments are included within 'Other payments' in the Accounting Statement.

The Clerk advised that the report / Annual Return will again be presented to Council following completion of the internal audit. Following certification by the Responsible Financial Officer the Council is required to approve the Annual Governance Statement Part 2

RESOLVED: - that the report be noted.
